

## The action of the social service

### Ornex serving the elderly

The Social Service proposes various activities to the elderly such as workshops, activities with children, communal events, etc.

To promote social inclusion, a civilian participation team led by Laetitia DOUILLEZ, communal social worker, pays attention to their needs.

Furthermore, actions such as shared transport, shared lunch and IT workshops are organized.

### The Monalisa Team

The town joined the **Monalisa Charter (Mouvement National de la Lutte contre l'Isolément des Personnes Agées: National Movement to fight against the isolation of elderly people)**. This charter is already in place in six other cities (Cessy, Chézery, Divonne-les-Bains, Ferney-Voltaire, Gex and Prévessin-Moëns) working together to identify the elderly in need, and find adapted solutions, therefore a civilian participation team of volunteers is in place to organize field actions.

### What does a benevolent citizen do?

- Go to an organizational meeting with the local team.
- Get to know and bond with elderly people in his / her neighborhood.
- Be alert for warning signs of isolation daily.
- Communicate with the social service in case of need.

If you wish to join the team or if you need help, you can contact the social service [social@ornex.fr](mailto:social@ornex.fr) / 04.50.40.59.40
